NOW WITH 3X SERUM BOOST!

Laurent is using Gentle Lift Tint 4.0 (GLT 4.0)
+ Styled using RERUJU Coating Serum

Is Gentle Lash Lift + Tint 4.0 safe for natural lashes?

Yes! The process is done gently, using safe products that won't dry out or damage your lashes. It is formulated and produced in the UK.

How long does it take, and how long does it last?

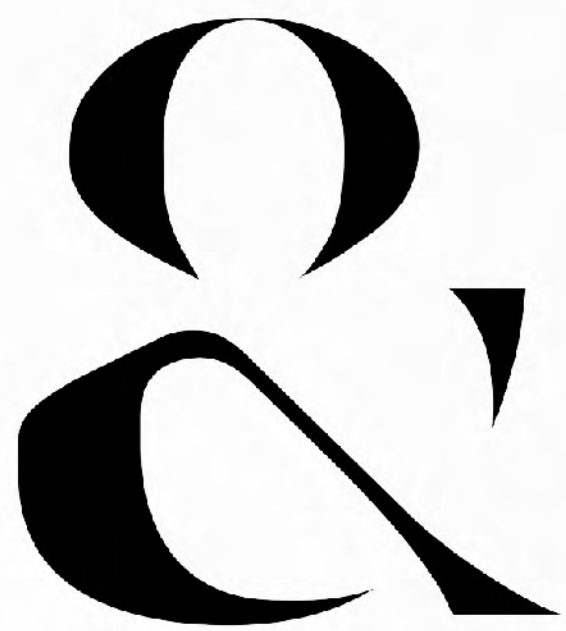

The process takes about **60 minutes**, and the results last approximately **5-8 weeks**.

What's the difference between GLT 3.0 and 4.0?

GLT 4.0 includes **3x protein serum booster for stronger, healthier lashes** & guaranteed will not make your lash dry or become frizzy. To maintain the lift, we recommend using a **keratin serum**, along with **RERUJU Coating Serum**.

Will &Healthy damage my lash extensions?

No, &Healthy is designed to be done right after lash extensions using special compatible products that will not damage your lash extensions or lower the retention.

How long does it take, and how long does it last?

The full treatment takes ± 2 hours. Lash extensions last **4-5 weeks**, while the lash lift effect stays for **4-6 weeks**. Refills can include &Healthy if needed.

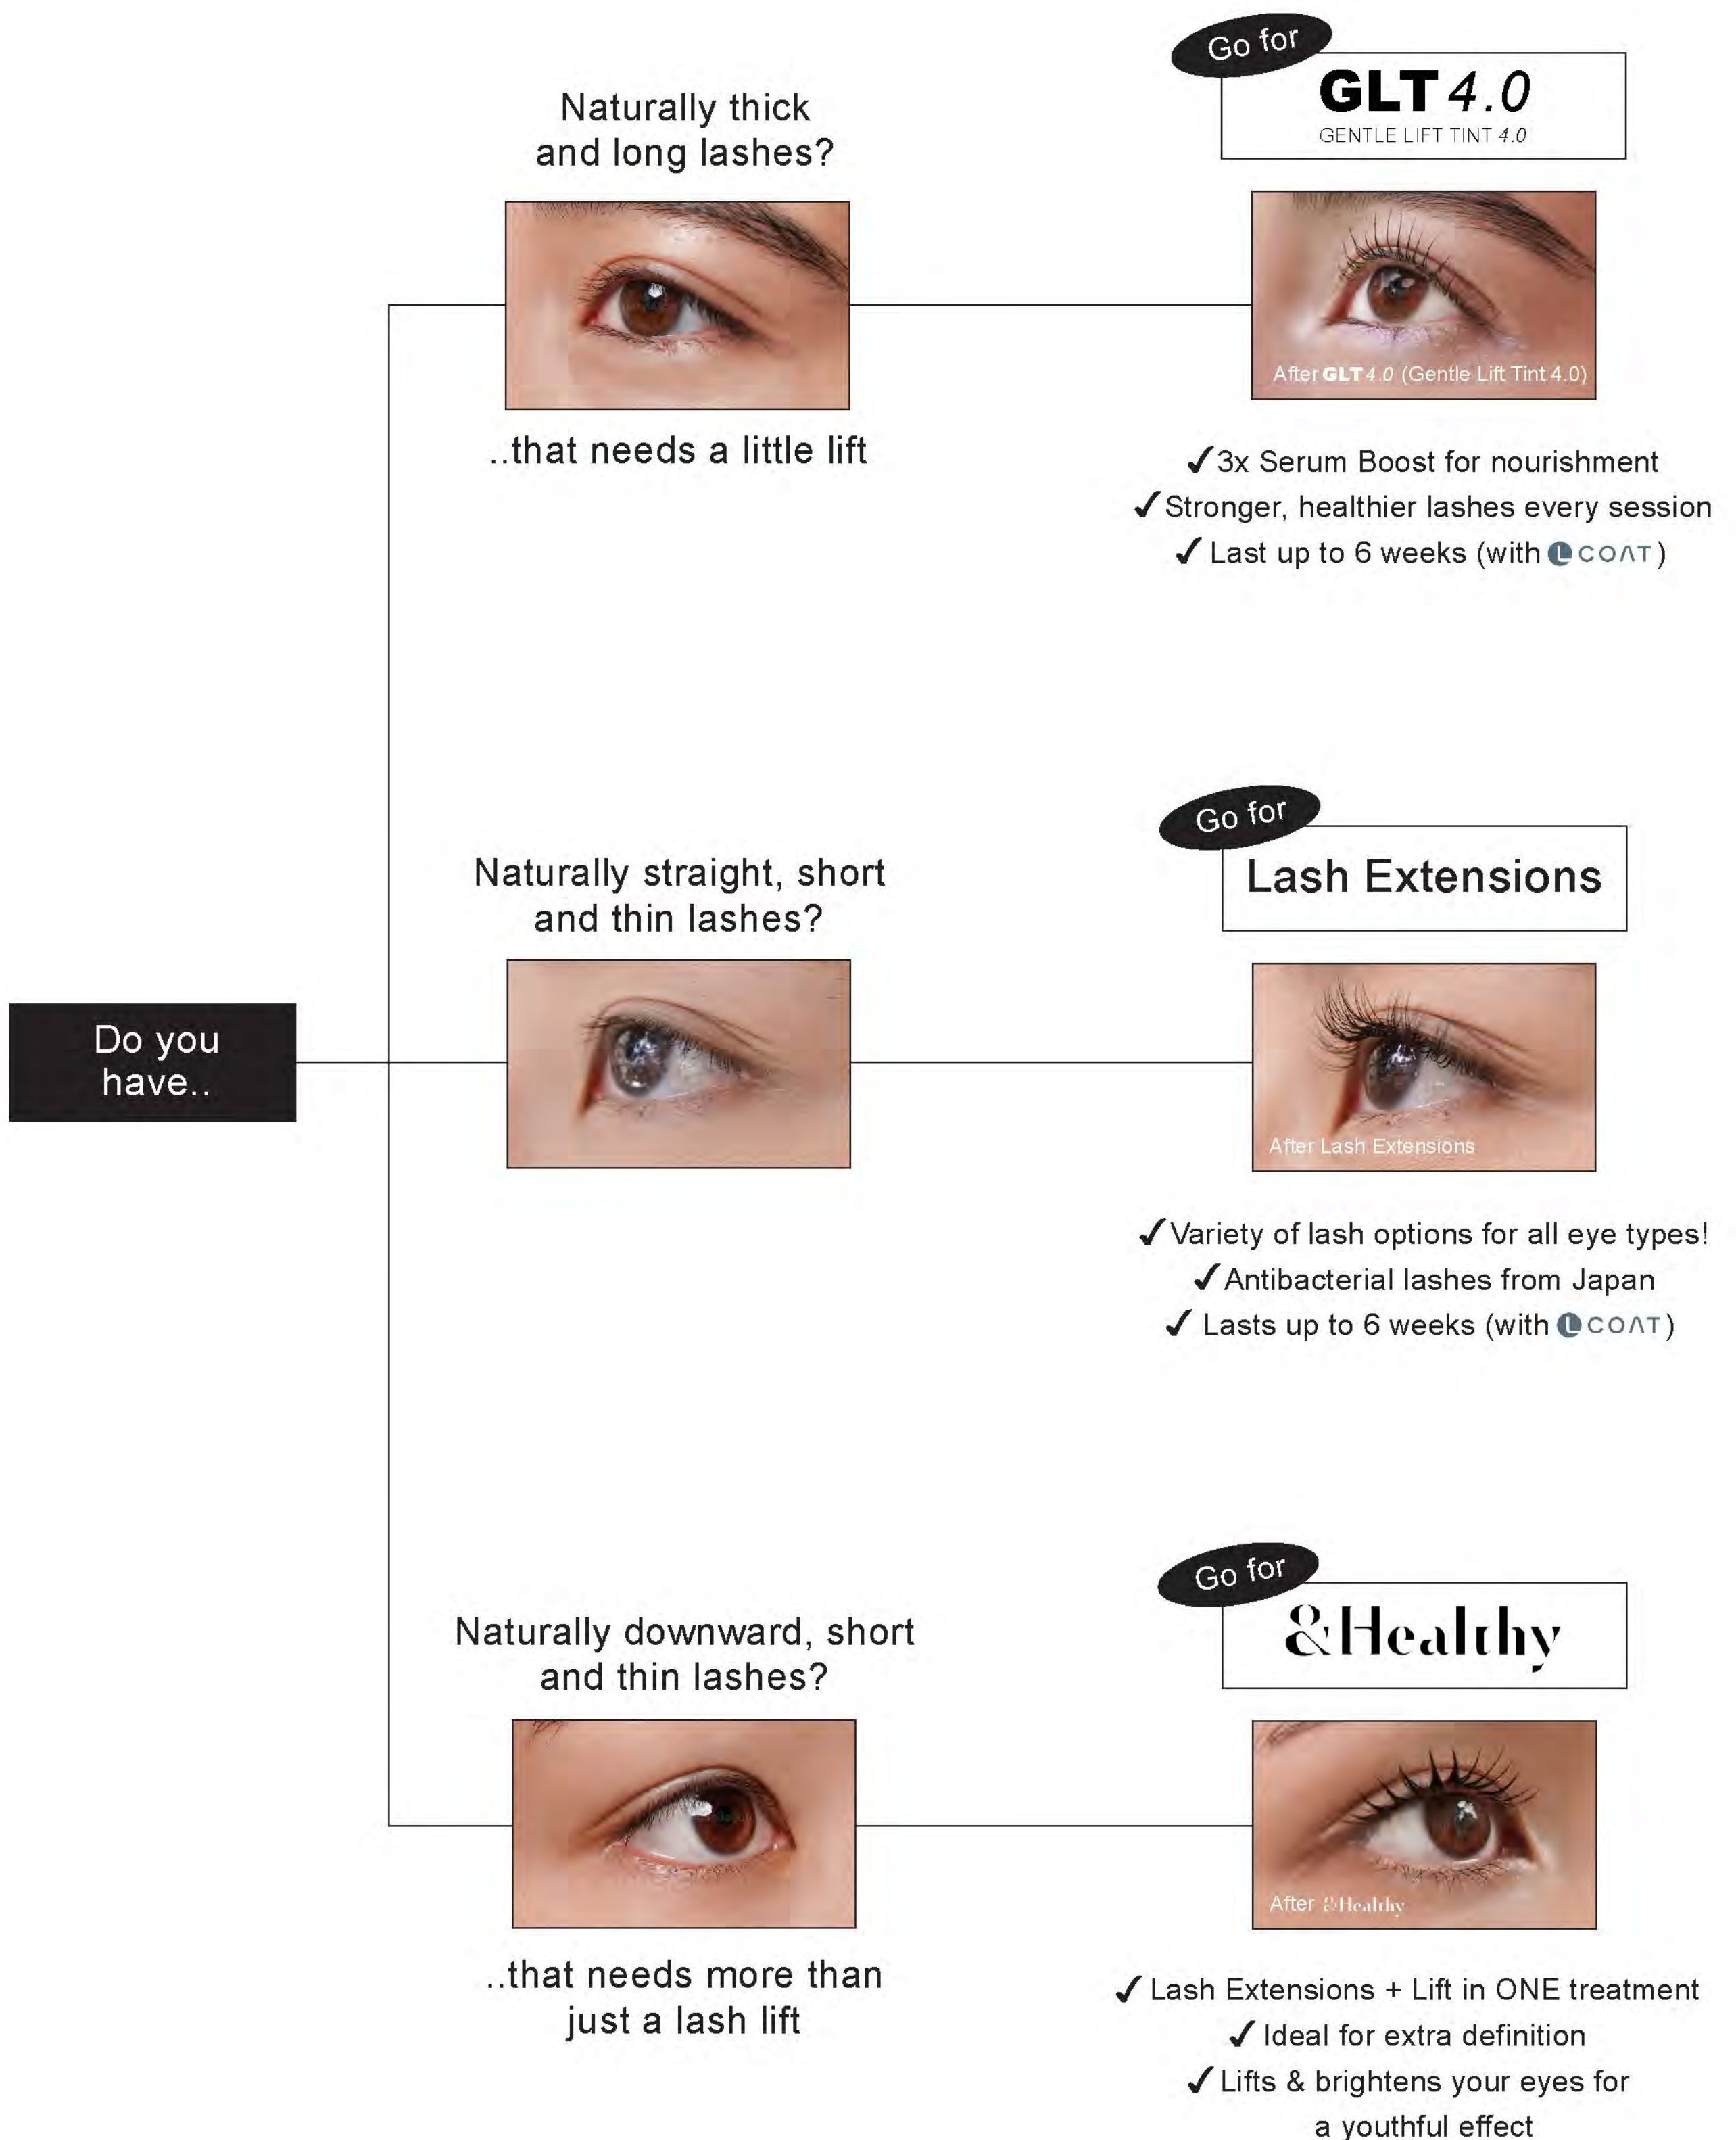

How do I maintain my lashes after &Healthy?

Brush regularly and use RERUJU Coating Serum.

L COAT can also be applied without affecting results.
